

## FSMTA - Suwannee Valley Chapter Meeting

February 12<sup>th</sup>, 2007

The meeting was called to order by President Matthew Grubb at 6:15pm in the Haven Hospice conference room.

18 people were in attendance plus the presenter for the evening CEs – Miranda Monkhurst – Ortho-Bionomy Self Care.

Meeting minutes from November were adjusted and approved.

### **President's Report:**

The alternative health fair that was held on February 2<sup>nd</sup> was a great success.

Matt Grubb came back from the presidents training where ideas were exchanged.

-Some chapters only have two organized meetings a year. It was suggested that we start to have quarterly business meetings which would allow the CE presenter to have three hours to offer instead of two.

-The Board is asking for suggestions that they can do for their members when it comes to insurance.

The chapter website is moving along nicely and hopefully will be out to the members soon.
