Recorded and presented by: John French, LMT – Chapter Secretary

President Matthew Grubb called the meeting to order at 6:30pm at the Nero's Italian restaurant Gainesville, FL

Matt has received more information from Gregg as election chair. Gregg should look for another member to help him with the election process.

All board positions are open for application for the 2010 election.

Matt wanted to know from Dave if the hydrocolator generated good funds for the chapter. The chapter received 31.00 from the raffle. Bamboo-fusion raffle brought in 90.00.

Might be good to look for other things massage therapist could use like an hour consultation with a bookkeeper for the raffle. Better to focus on the low cost items for the raffle. Pays off better.

June offered to teach a class on raindrop therapy.

Several events coming up for the chair and the sports team

Going to be at the iron man in Pensacola, FL. 3-7 of November.

Different sports events were brought up to see if it was possible to get massage in the program.

Active.com keeps you informed of all the events in your area. Sports massage.

Chair events: Looking for a budget amount for the chair massage team. Like team shirts. Might just have them on had for people that show up to change into. Maybe a slip on vest with the name that could be kept on hand.

Looking for venues in other locations then Gainesville.

Keo has five questions to help streamline the food brought to the chapter meetings. Announced at the next meetings.

Matt suggested that the board get nametags and where them at the meeting and sticker badges for the rest of the membership.

Legislative. Board has made moves to stop people who have federal arrest on there record.
